

Greetings, new adventurer!

Welcome to the world of Pathfinder Society. Whether you're a long-time roleplaying game veteran or rolling a d20 for the first time, we're thrilled to have you join our community.

I'm Alex Speidel, the Organized Play Coordinator for Paizo. My role is to manage the Pathfinder and Starfinder Society campaigns, which includes everything from supporting conventions and providing scenario releases for our volunteers to setting the rules and guidelines for our games. I collaborate closely with our Organized Play Developers, who create the scenarios, bounties, and quests that drive our campaigns.

Pathfinder Society is a worldwide fantasy roleplaying campaign using the Pathfinder (second edition) rule set. You'll take on the role of an agent of the Pathfinder Society, a legendary league of explorers, archaeologists, and adventurers dedicated to discovering and chronicling the greatest mysteries and wonders of an ancient world. The Paizo community welcomes all players, no matter who you are or where you come from. We are committed to making Pathfinder Society accessible to everyone. Paizo Organized Play does not charge players for the privilege of sitting at our tables, though venues and conventions may charge player fees. Feel free to join the adventure even if you don't own any books, though many players enjoy purchasing rulebooks and other materials.

If you have any questions, don't hesitate to reach out to me or any of our volunteer venture officers. My main priority is to ensure that you have everything you need for successful game days and conventions, so don't hesitate to contact me! My door is always open to any member of our community.

Once again, welcome to the Society! We're thrilled to have you on board and look forward to meeting you. Remember the tenets of the Society: ***Explore, Report, Cooperate!***
